## **Dustin secures new framework agreement with Swedish Armed Forces and FMV**

**Dustin has secured a new framework agreement for servers and storage and associated services with the Swedish Armed Forces and the Swedish Defence Materiel Administration (FMV). The annual value of the agreement is estimated at approximately SEK 100 M.**

The agreement has a duration of two years with the option of an extension for a further total of five years. The agreement, "Server x86 storage and associated services," was previously subject to appeal.

- We have made a long-term investment in accumulating competence in infrastructure and data centres. The agreement with the Swedish Defence Forces and the Swedish Defence Materiel Administration is a seal of approval that demonstrates that we have a competitive offering of both products and solutions, says Georgi Ganey, President and CEO of Dustin.
